

Speed Rated Up to 55mph (90 k/mh)

- The XM47™ High Speed is engineered to withstand sustained high speeds over long distances.
- A specially designed lug pattern and flat crown deliver surprising response and handling at high

Outstanding Flat and Damage Resistance

While operating off road, steel crown belts and buttress shoulders help protect against punctures, cuts and other damages.

XM47™ High Speed Deep Lug

The deep lug of the XM47™ was engineered to provide outstanding traction on and off the road in addition to excellent tread life.

Elevated Load Capacity

The XM47™ High Speed offers exceptionally high load carrying capacity, even at high speeds.
